Report Title: **Trust Risk Register.**

Purpose:
To inform the board of any operational risks scoring 20 and above

Summary:
The Board is hereby presented one risk that has been reviewed and escalated to a 20 following the black bed status experienced.

Risk Assessment (cross-reference with Risk Register where appropriate):

Strategic / External	Operational/ Organisational	Financial	Clinical	Legal/ Regulatory	Reputational / Patient Experience

Recommendations:

The Committee is invited to:

(i) Consider the risk articulated on the risk register
(ii) Consider whether additional action is required to further mitigate risks
(iii) Consider if the Target Risk Score is appropriate

Agree whether any risks appearing on the Trust's risk register should be escalated to the BAF
