Report Title: **Staff Story – Junior Clinical Director**

PURPOSE:

Discussion of what it is like to be a Junior Clinical Director.

SUMMARY:

I was appointed to be Junior CD at the beginning of August 2018. Prior to that I completed my two foundation years here at QEHKL. I have worked in a variety of departments during my time here. During my FY2 I chaired the JDF and sat on the LNC.

I am currently working as a QEH Fellow, with a 3:2 split with being Junior Clinical Director. I have been asked to give an update on what it is like having this role.
