Working Together

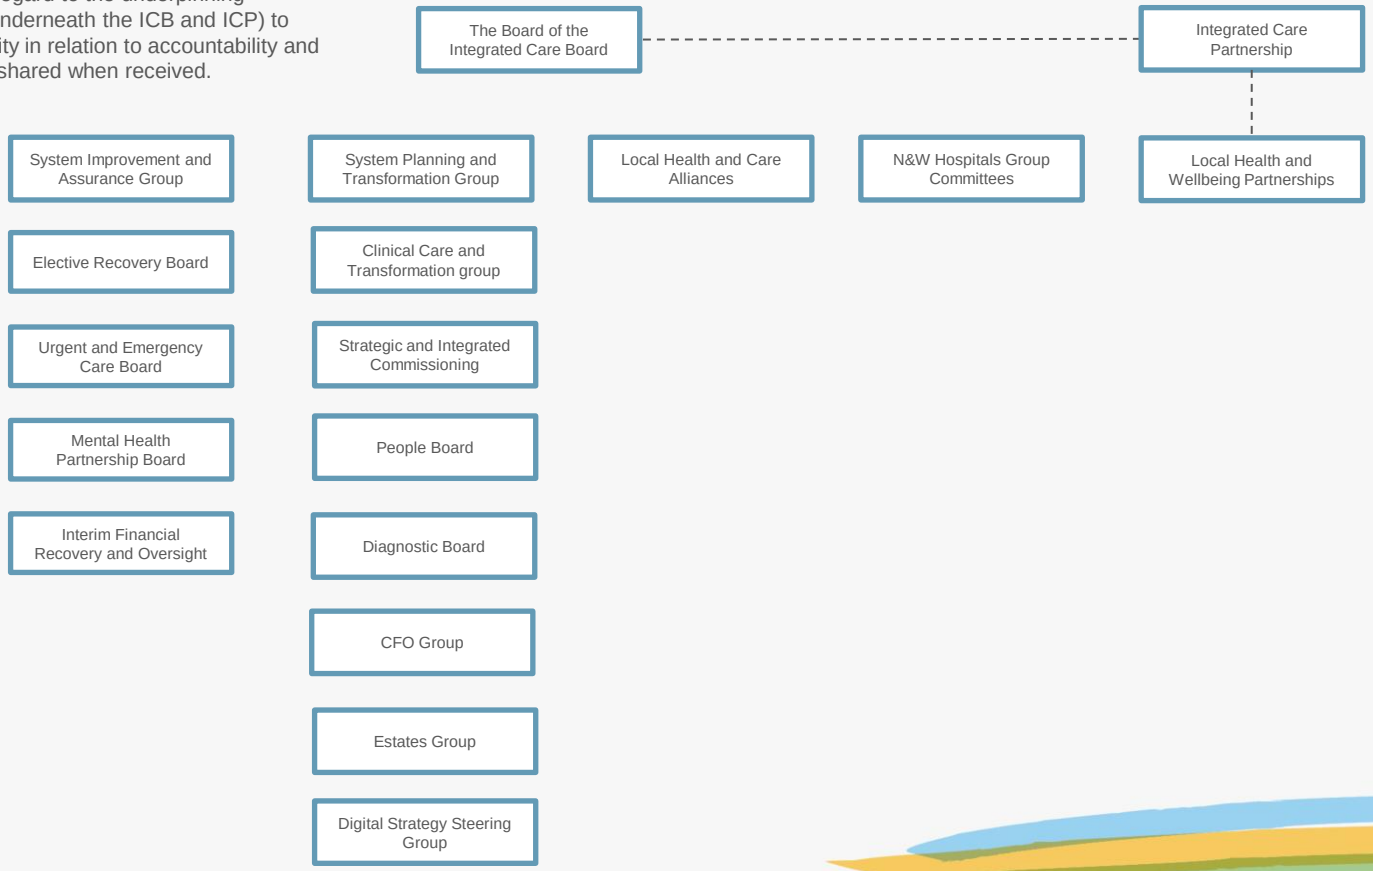
The Norfolk and Waveney Integrated Care System- Bringing all partners together to promote happier healthier lives for the population of Norfolk and Waveney.

The **Integrated Care Board (ICB)**
Statutory NHS Body (replaces CCG but has wider duties.)
Responsible for NHS performance and finances across Norfolk and Waveney.

The Integrated Care Partnership (ICP) & Health and Wellbeing Board (HWB) - bringing together the NHS, Local Government, Heathwatch and other public and community sector partners, as equal partners. The ICP does not replace the HWB but will have same membership. The ICP is a statutory committee of both the NHS and Norfolk and Suffolk County Councils. Focusing on prevention wider determinants, health inequalities and the VCSE

5 Local Health and Care Alliances- These alliances will bring together colleagues from health and social care to integrate services and will focus on effective operational delivery and improving people's care. They will be accountable to our Integrated Care Board.

Local Health and Wellbeing Partnerships - These partnerships will use district council boundaries as the building blocks. They will bring together colleagues from county and district councils, health services, wider voluntary, community and social enterprise sector organisations and other partners that have an impact on people's health and wellbeing.

ICB – current structure


Work is underway with regard to the underpinning governance structure (underneath the ICB and ICP) to ensure that there is clarity in relation to accountability and delegation. This will be shared when received.
