

Team QEH Awards 2022 Nominees

The Kindness Award

The winner of this award will have been an exceptional role model for kindness, whether this is toward patients or colleagues. They will always treat people with kindness, be friendly and approachable and live up to their promises by always doing what they say they will do.

They will provide excellent examples of working together to achieve goals and provide high quality services. They will communicate openly, share information regularly and take time to build trusting relationships with their team, leading to high quality patient care and experience.

They will be attentive to the needs of others and willingly offer help where they can see it may be needed.
