

Donate your time as a **VOLUNTEER** join our **FUNDRAISING OFFICE TEAM**

**Make a positive impact on the welfare of your community
by offering your valuable expertise and experience**

- ❖ We have all acquired transferable skills from our personal or business lives, for example: administrative, organisational, IT, strategic or creative skills - e.g. designing fundraising events posters or leaflets
- ❖ Perhaps you are at ease with people, a good listener / communicator
- ❖ Volunteers are an invaluable asset. They help with fundraising campaigns, promote the work of the charity and spread information
- ❖ You can, of course, volunteer as much or as little time as you like - whether you can spare half days, occasional evenings or be available on a more regular basis, we would love to hear from you!

There are many benefits associated with volunteering:

- ❖ You can broaden your horizons
- ❖ You will feel appreciated and get a sense of fulfillment
- ❖ You will meet new people
- ❖ You will increase your self confidence
- ❖ You can learn and develop 'new transferable' skills
- ❖ You can improve your CV
- ❖ You will gain experience in a professional environment
- ❖ You can take pleasure in becoming part of a motivated team

Have fun with us - the work is varied, rewarding and exciting!

**If you wish to use your skills to support your local hospital
and its patients, call the Fundraising Office: (01553) 613373**

'A volunteer's greatest asset is their enthusiasm!'
