

# Norfolk and Waveney Cancer Transformation Team

## Who we are

- The cancer transformation programme started in 2017/18 and is hosted by the Norfolk and Norwich University Hospital (NNUH).
- The programme's Senior Responsible Officer (SRO) is the Chief Executive of the James Paget University Hospital (JPUH).
- Our team has grown over the last few years and has 9 members working across the Norfolk & Waveney (N&W) Integrated Care System (ICS).
- Our team is made up of a Clinical Lead, Head of Cancer, Clinical Advisor, 4 Project Managers, a Project Officer (Patient and Public Involvement Lead), and a Team Administrator.
- We liaise and work closely with stakeholders across N&W to include the three acute hospitals, primary care, patient/carer representatives, county councils, voluntary groups, social care and Healthwatch to help people affected by cancer receive the right care at the right time and in the right place.

## What we do

- The aim of the programme is to support the local delivery of the [NHS Long Term Plan Cancer](#).
- The main objectives are to lead and implement system redesign projects that support continued recovery of cancer services, earlier diagnosis of cancer, faster diagnosis, better treatment and personalised care, workforce redesign, improved equity of access to cancer care linking to our [Core 20 plus 5 values](#) and increased patient/public involvement in cancer transformation.
- Funding for the programme is bid for on an annual basis via the National Cancer Action Team.

## Cancer services in Norfolk and Waveney (N&W)

- Cancer services in N&W are commissioned by the N&W Integrated Care Board (ICB) and are locally provided by the Norfolk and Norwich University Hospital, James Paget University Hospital, Queen Elizabeth Hospital Kings Lynn, Norfolk Community Health and Care, East Coast Community Health and local General Practice Surgeries in the Primary Care Networks.
- There are also specialist pathways to Addenbrookes Hospital in Cambridge, Birmingham and London.
- N&WICS is part of [East of England Cancer Alliance - North](#).
